*Dear Host Family,  
I can't thank you enough for the gift card. The kids can really use it! Thank you for being my host family. I had never had anything like this before and this is so wonderful and is very much appreciated. GOD be with you and bless you in all you do!"*

## MATCHING FAMILIES WITH RESOURCES

The Adopt-a-Family Program began in 2007 to provide some of Orchard's more challenged families with items such as clothing, coats, school supplies, furniture, household items, food baskets and holiday gifts.

- Orchard's staff identifies their most challenged families.
- Host families are matched with a family in need.
- In an effort to communicate their most urgent needs, matched families provide their host family with a "Needs Survey".
- Donations are provided at least once per quarter, using the "Needs Survey" as a shopping guideline.
